

NEWS ALERT

WHO: Cape Light Compact sponsors a two-day Energy Carnival at the Barnstable Horace Mann Charter School for its 5th graders. Students will participate in several activities geared to raise their awareness and knowledge about renewable energy sources and various forms of energy. Fourteen students from the Upper Cape Technical High School Environmental Lab, under the leadership of Nichole Willey, will help guide BHMCS students through the Energy Learning Stations at the Tuesday event.

WHAT: Energy Learning Stations include:

- Wheel of Energy
- Centripetal Force Wheel
- Energy Efficiency
- A Cool Coal Story
- Hydrogen Fuel Cell Car Demo
- Human Electrical Circuit
- Solar Power
- Kinetic Energy Toys
- Renewable/Non-renewable Energy Game
- Wind Turbines
- Electric Grid Puzzle
- Accelerators and Perpetual Motion
- Chemical Energy
- Energy Webs

WHEN: Mon, March 2 and Tues March 3, 2009 from 9:00 am to 2:00 pm

WHERE: Barnstable Horace Mann Charter School
730 Osterville-West Barnstable Road
Marston's Mills, MA 02648

CONTACT: Debbie Fitton, Cape Light Compact Energy Education Programs Coordinator, 508 375-6703 (o) or 774 994-1743 (cell).
Peggy McEvoy, BHMCS Vice-principal, 508 420-2272 (o).

About Cape Light Compact

The Cape Light Compact, as administered through Barnstable County, is an inter-municipal regional energy services organization made up of all 21 towns of Barnstable and Dukes counties. The purpose of the Compact is to represent and protect consumer interests in a restructured utility industry. As authorized by each town, the Compact administers the regional energy efficiency program and works with the combined buying power of the region's over 200,000 electric consumers to negotiate for lower cost electricity, including a green power offering, and other public benefits. For more information on Cape Light Compact and its energy efficiency programs, please visit www.capelightcompact.org or call 1-800-797-6699.
