

## *Turn-In Event Announcement*

September 1, 2009

Cape Light Compact's annual turn-in event for Cape Cod residents will be held in spring 2010. Please email [clinfo@capelightcompact.org](mailto:clinfo@capelightcompact.org) or call **1-800-797-6699** to be added to the email list for updates on time, date, and location.

To be eligible for the \$35 mail-in rebate from Cape Light Compact at the turn-in event, please follow these instructions:

1. Keep your old dehumidifier or room air conditioner so that you can turn it in at the event.
2. Buy a new ENERGY STAR® qualified dehumidifier or air conditioner from May 1, 2009 or later.
3. Keep the receipt from that purchase (we recommend that you tape it to the old unit).
4. Bring in the old dehumidifier or air conditioner on the day of the event, and receive a mail-in rebate for your replacement.

We look forward to seeing you this spring. Please visit [www.capelightcompact.org](http://www.capelightcompact.org) or call 1-800-797-6699 with questions or for more information.
