

The most effective way to lower your energy use is to pinpoint where it's being wasted.

CAPE LIGHT COMPACT CAN HELP

CALL **(800) 797-6699** today to schedule a **FREE ENERGY ASSESSMENT** of your home or business

- Our trained professionals check for air leaks and insufficient insulation
- We cover **75% OF THE COST UP TO \$2,000**, or greater for income qualified participants, to install recommended energy efficient measures in your **HOME**
- We offer **FREE** air sealing and compact fluorescent lightbulbs for your **HOME**
- We pay **80% OF THE COST UP TO \$150,000** to install qualified energy efficient upgrades for **SMALL BUSINESS** projects (subject to limitations)

Participants in our programs report saving **10% OR MORE** on their annual electric bill

SAVE THE DATE! May 1-2, 2010 at the Hyannis Youth & Community Center

Visit the **CAPE LIGHT COMPACT ENERGY EFFICIENCY ZONE** at the Cape Cod Life Seaside Living Expo.
Also turn-in your old dehumidifier & AC wall unit for a \$35 rebate on a more efficient model.
