TERMS & CONDITIONS

Customer Eligibility:

Equipment purchases and installations made between August 1, 2008 and December 31, 2009 are eligible for rebate. Equipment must be installed in conformance with state and local code requirements by a licensed contractor at the customer's address listed on the rebate application in a Cape Light Compact member town. An energy audit must be performed or scheduled prior to payment of rebate. Rebate application must be filled out completely, signed and accompanied by dated receipts/invoices and received by Cape Light Compact and postmarked by January 30, 2010.

Eligible Heating Systems:

This Cape Light Compact rebate is available for oil or propane heating systems only. Please refer to www.thinksmarthinkinggreen.com for applicable rebates for natural gas heating system offers.

Installation Verification:

Prior to honoring any rebate, Cape Light Compact may conduct an on-site verification that the equipment was installed according to the guidelines of the program. Such on-site verification does not include any kind of safety review or code enforcement and should not be relied upon as one.

Warranties:

Cape Light Compact does not endorse, guarantee or warrant any particular contractor, manufacturer or product installation.

Changes to the Rebate Program:

Program is subject to change without prior notice, and rebate offers may increase or decrease at any time.

Tax Liability:

Participants of the program may be subject to tax liability for the value of goods and services received through the program pursuant to state or federal income tax codes.

No Tax Liability to Cape Light Compact:

Cape Light Compact is not responsible for any tax liability which may be imposed as a result of receipt of the rebates by Cape Light Compact to the customer.

Liability:

Cape Light Compact is not responsible for any loss or damage that may be caused as a result of the installation of the equipment.
