

Energy Efficiency Measures Available Through Cape Light Compact

HIGH EFFICIENCY LIGHTING

INSULATION, AIR AND DUCT SEALING, PLUS OTHER WEATHERIZATION MEASURES

HIGH EFFICIENCY HVAC

PREMIUM EFFICIENCY MOTORS AND DRIVES FOR PUMPS AND PROCESS OPERATIONS

HIGH EFFICIENCY REFRIGERATION

OCCUPANCY SENSORS AND OTHER CONTROL SYSTEMS

PROGRAMMABLE AND COMMUNICATING THERMOSTATS

VENDING MACHINE CONTROLS

TRAINING AND TECHNICAL ASSISTANCE

Wellfleet Fire & Rescue Facility

Who is Cape Light Compact?

Cape Light Compact is a regional inter-municipal agency authorized by 21 towns on Cape Cod and Martha's Vineyard to protect consumer interests, secure competitive electricity prices and offer green power options for our 200,000 residents. The Compact also provides a variety of activities and programs to support regional energy efficiency, renewable power development and award-winning energy education.

WHAT PEOPLE ARE SAYING...

"Cape Light Compact worked with the Town of West Tisbury to ensure an energy efficient building that will endure for generations and keep our energy cost down. As an added bonus, the Town will receive a financial incentive from Cape Light Compact for installing the recommended energy efficiency measures. We are grateful for their support."

WOULD YOU LIKE TO MAKE YOUR BUILDING MORE ENERGY EFFICIENT?

CAPE LIGHT COMPACT CAN HELP!

Cape Light Compact offers an extensive array of programs for business and municipal customers on Cape Cod and Martha's Vineyard that will help your organization achieve a building that is less costly to operate, enhance the comfort and productivity of its occupants and is friendlier to the environment. Plus, **Cape Light Compact's 2010-2012 Energy Efficiency Plan** will dramatically expand our existing energy savings programs and introduce new innovative programs and financial incentives.

From lighting upgrades to insulation and air sealing, occupancy sensors to communicating thermostats, premium efficiency motors to HVAC tune-ups and controls, there has never been a better time to take advantage of **Cape Light Compact's Commercial and Industrial Programs**.
