

2014 Income Guidelines & Incentives for the Home Energy Assessment

Call Cape Light Compact at 1-800-797-6699 to schedule your
FREE energy assessment

STANDARD INCENTIVES:

Enhanced Residential Program (60% of median income):

- FREE high efficiency lighting
- FREE refrigerator replacement (if existing model is inefficient)
- FREE insulation, air sealing and other weatherization (up to \$4,500 in value)
- Potential heating system upgrade (if existing system is determined to be highly inefficient). Upgrade determined and implemented in conjunction with the Department of Housing and Community Development and National Grid Gas Programs

Residential Program (80% of median income):

- FREE high efficiency lighting
- FREE air sealing
- 100% incentive up to \$4,000 for recommended insulation and other weatherization measures
- \$150 rebate toward refrigerator replacement (if existing model is inefficient)
- Rebates for heating systems, programmable thermostats, and other energy efficiency measures. Go to <http://www.capelightcompact.org/resrebates> for more rebate information

Residents with incomes above the 2014 Income Guidelines:

- FREE high efficiency lighting
- FREE air sealing
- 75% incentive up to \$4,000 for recommended insulation and other weatherization measures
- \$150 rebate toward refrigerator replacement (if existing model is inefficient)
- Rebates for heating systems, programmable thermostats, and other energy efficiency measures. Go to <http://www.capelightcompact.org/resrebates> for more rebate information
