

Steps to the HEAT Loan

0% interest loan for qualified measures for 1-4 unit homes

Loan authorization must be given before installation!

1

Call 800-797-6699 to complete a free home energy assessment

2

Receive a HEAT Loan as part of the energy assessment

3

Get proposals from 3 contractors for the eligible work you decide to have done

4

Send or fax the white copy of the HEAT Loan Intake Form with copies of the contractor proposals to RISE Engineering (address below)

5

Receive HEAT Loan Authorization Form for allowed amount from RISE.

6

Take the HEAT Loan Intake and Authorization forms to lending institution* and apply for the loan

7

Receive a loan agreement and two-party checks made out to contractor and homeowner; have work done and pay contractor

8

Upon completion of work, notify RISE Engineering to schedule a verification inspection.
