RE: Suspension of Procedural Schedule and Scheduling of Technical Session

DATE: July 22, 2014

CC: Mark D. Marini, Department Secretary

The Department of Public Utilities ("Department") will hold a technical session on **Wednesday, August 6, 2014, at 10:00 a.m.** The purpose of the technical session is to give Department staff an opportunity to discuss, with Cape Light Compact ("Compact"), recommendations to incorporate certain information received during discovery into the Compact's Aggregation Plan ("Plan"). Department staff will also discuss the possibility of reorganizing sections of the Plan.

Due to the Department's decision to hold a technical session, the Department is suspending the procedural schedule in D.P.U. 14-69 until further notice. The Department will address additional scheduling in subsequent Hearing Officer memoranda.
