This rebate is **only for heating oil and propane customers**. Please refer to www.gasnetworks.com for natural gas customers.

Program Guidelines

- Must be an NSTAR electric account holder
- Available only for heating oil and propane customers. Please refer to the GasNetworks rebate for natural gas customers www.gasnetworks.com
- Must purchase a programmable thermostat or Wi-Fi Thermostat with Wi-Fi Connection enabled
- Rebate amount cannot exceed purchase price
- Maximum rebate amount for Wi-Fi Thermostat is \$100
- Limit two rebates per customer
- Residential and commercial customers are eligible
- Programmable thermostats purchased from January 1, 2015 to December 31, 2015 are eligible for rebate. Rebate requests should be postmarked by January 31, 2016
- Eligible form must be completed for rebate processing and submitted with a dated receipt and original UPC code from the package
- Program subject to change without notice

Older thermostats may contain mercury and should be disposed of properly. For more information on mercury and proper disposal, visit www.epa.gov/mercury or contact the Cape Cod Cooperative Extension at 1-800-319-2783 for more details.

Complete and mail this form, along with a copy of your programmable thermostat purchase circled on your receipt (receipt must be dated on or after January 1, 2015), and original UPC code from the package to:

RISE Engineering
