Eastham Energy Efficiency Report

Additional Information

Please note that the data provided in this report is preliminary. The final data for each year can be found in the Compact's Annual Report on Energy Efficiency Activities located at CapeLightCompact.org/reports.

- Customer counts are based on the number of active accounts in January
- A customer is deemed income-eligible if they are on the electric discount rate
- Total electric usage does not include solar or electric vehicles
- Total Program Participation includes customers who participated through the retail program
- Heat pump data reflects the number of households or businesses that received heat pumps
