

**EFFICIENT NEIGHBORHOODS (EN+) CASE STUDY**

“Thanks to the EN+ initiative, I was able to have all of the recommended work installed at once and have been saving ever since.”

Homeowner- Mashpee, MA

**WHAT IS EN+**

- Program offered to pay for 100% of insulation measures up to \$4000 for customers who were between 60%-100% of state median income.
- Offered to all towns of Cape Cod and Martha’s Vineyard.
- Customers needed to call for an audit by January 31<sup>st</sup>, 2014 and have insulation work installed by August 31<sup>st</sup>, 2014.

**THE RESULTS**

There was an increase in the amount of people completing audits as well as an increase in the amount of people following up their audits with insulation work!

**HOW THE COMPACT HELPED**

By providing the cost, customers were able to install insulation measures to help them save on their energy bill for no cost.

- Added insulation in attic and basement where heat loss is the greatest.
- Vents to let home properly breathe.
- Weather stripping for doors and windows where heat escapes.

**Insulation Work Completed by EN+ Participants**
