

Energy Efficiency and Forward Capacity Market Technical Support RFP

Informational Call July 15, 2021

Questions and Answers

Q 1. In section VI, D, 1, the RFP indicates the Proposer may include enhancements, improvements and additions to the Scope of Work. How much detail is the Compact looking for?

A 1. The Proposer should provide a sufficient level or amount of detail it believes best demonstrates its ability to perform the designated task(s).

Q 2. On page 4, section A, the RFP indicates the proposer must submit a cover letter, signed in ink. Will the Compact accept "docusign" as the signature instead?

A 2. No.

Q 3. The RFP indicates the Proposal must be signed and delivered to the Compact by August 13, 2021. Will the Compact accept an emailed version of the proposal instead of a hard copy by August 13, 2021?

A 3. No. One (1) electronic, one (1) original and three (3) copies of the proposal must be delivered to the Compact by August 13, 2021.
